FACULTY

Principal's Message

Dear Senior:

Go forth from this school with the single purpose of making your life a generous gift to mankind. Find causes worth living for to the fullest. Give yourself daily. Let your life be consumed in service. Find true happiness as a by-product of right living. Waste no thoughts on selfish pursuits. Dedicate your knowledge valiantly, cheerfully, creatively and skillfully where the needs of others are the greatest. Serve your God and country courageously. May your world be happier than ours and may some portion of your happiness be due to us.

Sincerely,

Edward W. Eanes

The Senior Class — 1961

Times like these will long be with us as we leave

Charles City well prepared to meet the future.

Class History

In September of 1956, five boys and two girls moved from the elementary halls to the high school halls. As we soon found out we weren't "high school" and we knew we weren't "elementary" so we were simply classified as "eighth graders." By March we had another classmate--a girl, thank goodness! Mary Ellen wasn't actually new to us for she began school here and left at the end of the third grade. In May we received a big disappointment--we were left behind while the rest of the high school went to Washington, D. C. So we took our own trip to Yorktown.

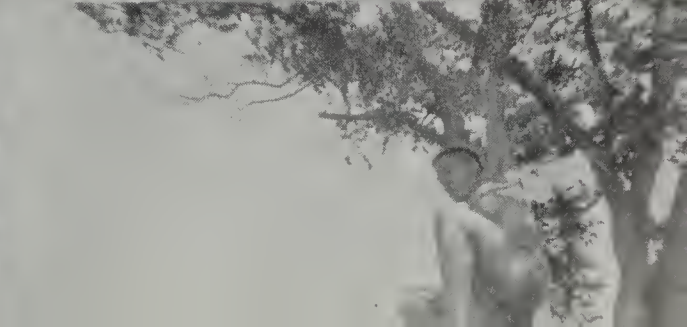

The next two years passed quickly and happily. We were now an actual part of "high school."

September of 1959 found us as Juniors--almost up to the top--and also found us with another classmate. A girl, thank goodness! Betty Moore wasn't new to us either--she left here in 1956 and now she had joined our class to complete her high school education. In January we had the arrival of another classmate--a girl, thank goodness! Once again, Brenda wasn't new to us for she had left us, gone to Germany and returned to finish high school with her original class. We received our class rings in January and by wearing them we thought we had become Seniors--well, almost.

September 1960--we actually were SENIORS! Busily we started our final but most rewarding year. We began working on our annual, we looked at announcements upon announcements, and finally and best of all, we ordered our caps and gowns.

For four years, we have studied, played, and waited together for our "big year." Now that the "big year" has arrived we are sorry, in a way, that it is here. As we approach the final plateau in Charles City High School, we look back with fond memories, but we also look forward with great anticipation to that which is yet to come.

And so our school years come to an end--our departure will sadden us all, for we are breaking up our big, happy family. So it is with regret, that we, the class of 1961--Tommy, Mary Ellen, Betty, Pete, Douglas, Betty, Kenneth, Fini, Brenda and Ricky say--"Farewell, Charles City High School, Farewell."

Last Will and Testament

We, the Senior Class of 1961, of Charles City High School, being in possession of reasonably sound mind, an unusual amount of energy, a sufficient amount of dignity, realizing that our days as high school students are numbered, do hereby declare this our last will and testament:

An abstract geometric composition featuring a large black trapezoidal shape at the top, which tapers downwards. Below this, a large, light gray diamond shape is positioned, with a smaller black diamond overlapping its lower-left corner. To the right of the central diamond, a series of black lines form a large, open triangular structure that extends towards the bottom right. The background is a light, textured gray. The word "JUNIORS" is printed in white, bold, sans-serif capital letters within the black trapezoid.

An abstract geometric design featuring several black lines and shapes on a light background. A large black diamond is positioned in the upper right. To its left, a black line descends from the top left, crossing the diamond, and then continues down to the left. Another black line starts from the top center, crosses the diamond, and descends towards the bottom left. A third black line starts from the bottom left, goes up and to the right, crossing the diamond, and then continues down to the left. A fourth black line starts from the bottom left, goes up and to the right, crossing the diamond, and then continues down to the left. A fifth black line starts from the bottom left, goes up and to the right, crossing the diamond, and then continues down to the left. A sixth black line starts from the bottom left, goes up and to the right, crossing the diamond, and then continues down to the left. A seventh black line starts from the bottom left, goes up and to the right, crossing the diamond, and then continues down to the left. A large black trapezoidal shape is at the bottom, containing the text "JUNIOR HIGH". Above this shape, there is a horizontal band of light gray, textured material. Several other geometric shapes are scattered around: a gray diamond on the left, a gray diamond below the large black diamond, and a gray triangle on the far left. The overall style is minimalist and modern.

The image features a central, light gray diamond shape with a fine, dotted texture. Inside this diamond, the word "ELEMENTARY" is written in a bold, white, sans-serif font. Surrounding the central diamond are several geometric elements: a large, thin black outline of a diamond shape that frames the central one; a smaller, solid black diamond in the upper left; a solid black diamond in the lower right; a solid black diamond in the lower left; and a faint, thin black outline of a diamond in the lower center. Additionally, there are several thin black lines: one line extends from the top left corner towards the center; another line extends from the top center towards the center; a third line extends from the bottom left towards the center; and a fourth line extends from the bottom center towards the center. The background is a light, off-white color.
